The object of this society shall be mutual benefit in case of death, as hereinafter stated.

Article III.—Membership.

1. Any minister of Miami Annual Conference may become a member of this society by signing the Constitution, and paying to the Secretary one dollar entrance fee, which binds him to pay two dollars for the benefit of the heirs of each and every member on his death; the said two dollars to be paid to the Secretary of this society within thirty days after the date of the notice of the death of the member.

2. Membership in this society must be taken within one year of uniting with the Conference. In case membership is not taken within this time, then the applicant must pay to the Secretary, in addition to the initiation fee, a sum equal to the amount of the annual and mortality dues having accrued to each member of this society since the applicant's first year's membership in the Conference. Such as have had membership in the Conference before the passage of the foregoing amendment must take membership within one year after its passage. In case of such as do not, like requirements, as contained in the amendment, will be imposed.

3. The wife of any minister of Miami Conference may become a member of this society, with the same privileges and advantages, upon the same conditions as ministers.

4. Each member shall pay one dollar annually to the Secretary of the society, said sum to be paid at the annual session of the Conference. The Secretary shall give notice to all members of the time when payment shall become due.

Article IV.—Benefits.

The amount of one hundred and fifty dollars shall be paid, on the death of any member of the society, to his wife, or her husband, or if none, then to his or her children, and if neither, then to his or her estate.

Article V.—Officers.

The officers of this society shall be a President, a Vice-President, a Secretary, and a Treasurer, all of whom shall be members of the Annual Conference.

1. The President shall preside at all the meetings of the society, and shall sign all orders for money to be paid out by the Treasurer; and in case of death, resignation, or absence of the President, the Vice-President shall perform his duties.

2. The Secretary shall keep a correct account of all the transactions, and take charge of all the papers and books of the society. Within ten days after the death of a member he shall notify all surviving members of the date of the death of such member, and also the date on which the obligation of such must be met, and shall countersign all orders for money to be paid out by the Treasurer. He shall also see that each member is provided with a proper certificate of membership, and the amount of benefit due his heirs at his death, and sign said certificate himself, and secure the signature of the President to the same.

3. The Treasurer shall keep safely all money belonging to the society, and shall disburse the same only on the order of the President, countersigned by the Secretary. Within thirty days after the death of a member, on the order of the President, countersigned by the Secretary, he shall pay to the heirs of such deceased member the amount of the benefit, one hundred and fifty dollars, herein prescribed. He shall give receipts for all moneys received, and take vouchers for all disbursed. He shall make a full report of all moneys received and disbursed to the regular meeting of the society at each Annual Conference session.

Article VI.

Transfer to another Conference of the United Brethren in Christ shall not forfeit membership; but any member who has been expelled, or has withdrawn from the Conference without its consent, forfeits his membership. Any person failing to pay the two dollars agreed upon within thirty days after the date of the notice of the death of a member, or his annual dues, as herein provided for, shall from that time cease to be a member, and shall have no claim upon any benefits of the society, and shall not be reinstated until all omitted obligations are paid in full.

Article VII.—Meetings.

A regular meeting of the society shall be held annually during the session of the Conference at the call of the President. At such annual meeting the officers of the society shall be elected, by ballot, and such other business transacted as may be in accordance with the object sought by the society. A majority of the members, other than honorary, shall constitute a quorum.

Article VIII.—Additional Notice.

All members who may not have paid within thirty days from the date of notice of the death of a member the agreed upon two dollars, shall be again notified by the Secretary of the time when the thirty days in which payment was to have been made expired, and shall be allowed ten days additional in which to pay the same; any member failing in this, his membership is forfeited.

Article IX.—Amendments.

This Constitution may be changed or amended by a vote of two-thirds of all the ministerial members present at a regular meeting of the society.

CONFERENCE PROCEEDINGS.

[OFFICIAL RECORD.]

FIRST DAY.

NEW MADISON, DARKE COUNTY, OHIO, August 20, 1902.

MIAMI ANNUAL CONFERENCE opened its ninety-third session in the church of the United Brethren in Christ at New Madison, Darke County, Ohio, August 20, 1902. This church building is a memorial to Brother Edward Bunch, through whose liberality the erection of so beautiful an edifice was made possible. Though dying at the age of twenty-three years, yet he is held in grateful remembrance in the community.

Bishop E. B. Kephart, D. D., opened the Conference session at 2:00 P. M. Hymn No. 355, "I cannot always trace the way," was sung, after which the Bishop read the Ninety-first Psalm, and then led in the opening prayer. After singing "Lord Jesus, I long to be perfectly whole," Rev. C. W. Miller led in prayer.

The Bishop then made some introductory remarks, saying that the year past had been one of incessant toil, the busiest year of his life. To him, age does not lessen the work and cares of life, but increases them. He had no reason to complain, or disposition to do so, for complaining, to him, was always an evidence of weakness. The comforting thought is, that these cares and anxieties do not continue forever—the resting-time is nearing. He also said that this age of prosperity is a most trying one to ministerial life, since there are such broad opportunities for money-making, this being a time when large fortunes are amassed by seizing present opportunities, and hence becomes a temptation to many engaged in ministerial work. The need of the present is a more completely consecrated ministry and laity to the work of God. He then gave practical suggestions as to the work of committees, and how to obtain the best results from devotional services.

After calling the roll, Conference effected its organization by the reëlection of Rev. C. J. Burkert, Recording Secretary, and Rev. W. C. Niswonger, Statistical Secretary.

The bar of Conference included five rows of pews across the church.

Conference agreed that the Bishop appoint all committees.

REPORT OF SOUTHERN DISTRICT.

To the Bishop and Members of Miami Conference, Greeting.

The Southern District of Miami Conference consists of fifteen stations and ten circuits,—twenty-five charges in all,—requiring one hundred quarterly meetings, and making an average of two meetings for each week of the year. None of the charges have recived less than two visits from the superintendent, and most of them were visited four times. This, and extra visits here and there in the interest of the work, together with the somewhat extensive correspondence with pastors and others, has made the year a very busy one.

Pastoral Changes.—Rev. A. H. Hooker resigned the Colerain Circuit soon after the adjournment of Conference, and, after spending almost the whole of the first quarter in an effort to find some one who would serve the field for the salary offered, I was compelled to separate the appointments and appoint a pastor to each church. Rev. W. R. Hughes was appointed to Mt. Airy, Rev. A. F. Davis to Bevis, and Rev. Harvey Witters, a licentiate of the

Miamisburg quarterly conference, served at Georgetown. Brother Davis will report for the charge.

Payments Made on Church and Parsonage Debts.—Our Newport Church paid $825 of the debt on its church-building during the year. The remaining indebtedness is $3,000. Our church in Cincinnati paid $287 on its debt, and there remains an indebtedness of $2,500. Mt. Airy Class paid $120 on church debt, freeing the church from debt. The Middletown Church paid $1,213 on its debt, leaving an indebtedness of $3,500, with $819 cash on hand to be applied to payment of same. Home Avenue Church, Dayton, paid $50 on its debt, leaving an indebtedness of $2,225. Mt. Healthy Class paid $300 on its parsonage debt, leaving an indebtedness of $700.

New Church and Church Improvements.—Our people at West Manchester built a substantial and attractive house of worship during the year. The house is of brick, modern in design, and cost $6,834. Of this, $6,463, has been paid, leaving $372 as yet unpaid, but covered by a gilt-edged subscription of $470. The Castine Class, on the same charge, have a subscription of $466.50, to be used in putting in a furnace and in making other improvements. The church at West Manchester was dedicated January 26, by W. R. Funk, D. D., assisted by G. M. Mathews, D. D. Great credit is due the pastor, Rev. H. A. Sechrist, and the board of trustees for their untiring efforts in this worthy undertaking. The Ladies' Aid Society of our Summit Street Church renovated, papered, and carpeted the church, at a cost of $900. The church at Harrison was reroofed, papered, seated with pews, and otherwise beautified, at a cost of $450. Improvements were made on the Zion Church, on the same charge, at a cost of $150. Improvements were made in the Newport church, at a cost of $173.50. Improvements were made on the Cincinnati church property, costing $140. The Ladies' Aid Society of the Home Avenue Church put a new carpet in the church, at a cost of $150. The Hartford Street Church is enlarging its house of worship, at an estimated cost of $3,000, of which $2,200 has been provided for. The Mt. Airy church was painted and otherwise improved, at a cost of $132. The Oregonia church was treated to a new roof, at a cost of $85. Beavertown freed its church from debt by the payment of the last $200 of indebtedness. Miami Chapel expended $230 in repairs on church, parsonage, and janitor's house, and paid $100 on parsonage debt.

Finance: Pastors' Salaries.—The Eldorado, Beavertown, Harrison, Millville, Mt. Healthy, and Hartford Street charges increased their pastors' salaries.

Conference Assessments.—Nearly all the fields of the district have met their assessments in full, and quite a number will report a handsome surplus.

Sunday-School and Young People's Work.—There has been a healthy growth in most of the Sunday schools during the year. A new school was organized by Brother W. S. Norris on Clifton Heights, Cincinnati, the first of last April. This school has an enrollment of about one hundred, with an average attendance of fifty. Permission to organize this school was given Brother Norris by the Church-Extension Board of the Conference. The Young People's work is in a healthy and growing condition on most of the charges of the district. Some new societies, both senior and junior, were organized during the year. I made an effort to gather the statistics of the Young People's societies, to be included in this report, but failed because so many failed to report to the quarterly conferences. In some cases, the pastors collected the statistics and sent them to me, but being unable to get complete reports, I omit these statistics altogether. The Y. P. C. U. convention held at New Haven and the Sunday-school and ministerial convention held at Middletown during last autumn, were both occasions of great interest and inspiration.

Conversions and Accessions.—The early and latter rain of divine grace, mercy, and power fell on many of the churches of the district, resulting in the conversion of at least seven hundred souls and in 622 accessions to the churches of the district.

Closing Words.—From the foregoing it is seen that the year has been one of more than usual success on the Southern District, both from the financial and the spiritual point of view, for which I give heartfelt thanks to Him in whose name we have wrought and by whose blessing we have succeeded. Remembering that Paul may plant and Apollos may water and that God gives the increase, I wish through this medium to thank the brethren who have assisted me in the work of the year, and all who have shown me kindness in any way as I have gone in and out of their homes. I received as salary $992.50. Every charge on the district paid the assessment in full, except the Georgetown Class, on the Colerain Circuit. That class owes me $7.50. I expended in traveling expenses and for assistance in holding the quarterly meetings, $116.

Respectfully submitted,

J. L. Swain.

Rev. W. H. Klinefelter, D. D., read his report, and his character was passed.

REPORT OF NORTHERN DISTRICT.

To the Bishop and Members of the Miami Annual Conference.

Dear Brethren: One year ago, when, by the action of the Conference, I was called to my present relations to the Conference, I felt some hesitation as I thought of the responsibilities this

relation carries with it; but, remembering the promise of the Master to be with those whom he sends out to bear the word to a lost world, I felt to trust him for his help and take up the work to which the Church had called me. I have abundant reasons to be grateful for the blessings received from our Heavenly Father, and for the cordiality which I have met everywhere on the district, both from my brethren in the ministry and from the laymen, and I trust that I am truly grateful for all these blessings.

The district comprises twenty-four fields of labor—eleven stations, two small churches regarded as missions, though not receiving missionary appropriations, and eleven circuits. These include thirty-seven organized churches.

At the close of the Conference session last year, Kingsville and Fairview were without pastors. Rev. J. H. Patterson was appointed pastor of Kingsville, and Rev. E. H. Barnhart was appointed pastor of Fairview. These brethren were both students in the Seminary. Brother Patterson only contracted to serve Kingsville to the end of the Seminary year, at which time the charge was vacant, but after a week or two, Rev. J. F. Snyder was appointed pastor for the rest of the year. Rev. J. M. Replogle, on account of the ill-health of his wife, resigned Dayton High Street Church early in the winter, and went to Oklahoma to try that climate, but returned immediately, and was reappointed pastor of High Street Church for the rest of the year. However, he decided later to try the climate of California for his wife's health, and again resigned this pastorate, the latter part of May. Rev. J. H. Owen was appointed for the rest of the year, and has rendered very efficient service. The rest of the pastors appointed by the Conference have all faithfully served throughout the year the charges to which they were assigned. For certain reasons which will be more fully brought out in the report of the field of labor, the Waterhouse Circuit could not arrange for the Sunday services in such a way as to enable the pastor to serve them all. The Oakland Class was put back to Abbottsville, Grandview remained without preaching, and the pastor was obliged to serve but the remaining three appointments. The pastor was in no way responsible whatever for this state of affairs. All the pastors have, during the year, labored diligently, faithfully, and hopefully, and, with but few exceptions, quite acceptably. A number of charges had quite a good increase, while a number have suffered a rather heavy decrease.

Churches and Parsonages.—Two new churches were finished during the year, and many of the others were put under repairs. Noting these in the order of the fields alphabetically arranged, we have the following reports: Abbottsville charge graveled the yard and made other improvements about Calvary church, to the

amount of $50. Mt. Zion Class put in a belfry, bell, and painted the church, at a cost of $175. Nineveh Class have the money already raised to repaper their church—Caylor Chapel. Arcanum paid $300 on the church debt. Dayton, High Street congregation repainted their parsonage, at a cost of $53, and paid $133 on the parsonage debt. Dayton, Oak Street Church, was repainted outside and repapered, at a cost of $480. The parsonage property was improved by new cement sidewalks and by having the yard sodded, costing $150. Dayton, First Church was refrescoed and received some other improvements, the total cost of which was $2,100. The Riverdale congregation finished their new church in the spring, and dedicated it April 27. The total cost of this church is $13,000. This house is a little gem for beauty, convenience, and durability. In architecture, it is fully up-to-date. The church at Fairview was repainted outside, papered, and furnished with new carpet, at a total cost of $146. The church at Greenville was somewhat modified, so as to arrange a place for a new pipe-organ, which was placed in June, the entire church was repapered, a furnace placed under the church, and pulpit and choir platform remodeled. The whole cost was about $2,100. Some $360 were expended on the parsonage, also. The Ithaca charge placed a new $100 organ in the church at Ithaca. Otterbein church was repaired by the remodeling of platform and placing in an altar-rail, at a cost of $200. Some repairs of a minor sort were put on the parsonage. Piqua people painted their church seats, varnished other inside woodwork, and painted the outside of the church. The cost was $75. The Rosehill Circuit put some improvements on their parsonage at Rossville, and the class at Rosehill reseated their church. The parsonage improvement cost $30, and the reseating of the church at Rosehill cost $100. Rosewood charge paid parsonage debt of $160. On Sulphurgrove charge, the church at Sulphurgrove was reseated and carpeted, at a cost of $400, and some improvement was made to the parsonage, amounting to $30. Aley Chapel was repapered, at a cost of $200. The new church at Wagner was dedicated December 15, 1901. The value of this house is $4,400. It is a substantial, beautiful, and commodious house, modern in architecture, a house of which a city congregation might well feel proud. The Salem Circuit repapered its church at Englewood, at a cost of $85, and bought a lot with an old schoolhouse thereon for a parsonage, at a cost of $372. The rebuilding of this house to properly serve the purpose will cost from five to seven hundred dollars. At Union City, the parsonage and the barn were repainted, at a cost of $60. The Vandalia charge has its church at Ginghamsburg repapered, and otherwise improved, at a cost of $150. Beardshear Chapel was repapered, at a cost of $70, while the parsonage debt was reduced $70. On

the Waterhouse Circuit, the church at Hillgrove was repapered, costing about $60. Kingsville reduced its church debt $150. At Little York, which is within the bounds of this district, Brother Guiler, who was received into this Conference last year, conducted a Sunday school all the year, and, with some help, held a revival meeting, which resulted in a number of conversions and the organizing of a class of twenty-four members. He asks that this Conference receive and care for this class.

Literature.—Our ministers all reported a faithful canvass for the Telescope, and a loyal attitude toward all our literature.

Sunday Schools.—Nearly all our organized churches have good, vigorous Sunday schools, and all but two or three schools take our own literature.

Young People's Societies.—These societies are mostly aggressive and faithful in their work, though some of them are quite feeble for want of enough active workers.

Licenses.—One person, Brother J. H. Dutton, received license to preach by the Oak Street Church quarterly conference, one, L. B. Cotterman, by High Street Church, and one received license to exhort by the Abbottsville quarterly conference.

Services and Expenses.—In serving the district this year, I have traveled by steam car and traction 3,050 miles. I have held 73 quarterly conferences, have tried to preach 159 times, and have conducted a number of less formal services. The traveling expenses for myself were $54.67; for the supplies I sent, $23.93; for hire of supplies, $24; for postage and stationery, $5; total expenses, $107.60.

W. H. KLINEFELTER.

Bishop G. M. Mathews spoke of his Conference relation for the past twenty-five years. These years have been full of labor, yet withal very pleasant, and now in parting for a time from us, he asked our prayerful remembrance of him in his new responsible work.

Rev. Dr. John Pearson, representing the American Bible Society, was introduced to Conference, and delivered an interesting address.

The Bishop announced Dr. H. A. Thompson, L. M. Mittendorf, and Rev. J. G. Huber a Committee on Bible Cause.

The following paper was introduced by Dr. H. A. Thompson, and adopted by Conference: "We appreciate the presence of Brother John Dodds, who has been passing through a severe and long affliction. We hope he may yet for years be spared to us, and we shall be glad if the way may be opened for him to conduct a devotional service, if his health will permit."

The hour of 3:00 P. M. having arrived, the reading of chart reports was suspended, and Conference listened with interest to the address of greeting from Mrs. P. M. Camp, delegate from Miami Branch, Woman's Missionary Association.

The following action was taken, appreciative of the address of Sister Camp: "We express our high appreciation of the visit of

Mrs. Camp, who brings to us the greetings of the Miami Branch of the Woman's Missionary Association. We favor the coöperation of both boards in the work in Africa. We hereby appoint Rev. C. B. Boda to bear our greetings to the women at their next annual meeting."

Conference adjourned. Benediction by W. J. Shuey.

Thursday evening was devoted to the church-erection cause, and a large audience greeted Secretary Weekley, who delivered a highly interesting and instructive address, which awakened new interest in this work, and will bear good results in the near future. Conference made $1,000 the basis of assessment for the coming year.

THIRD DAY—MORNING SESSION.

August 22, 1902.

Brother John Dodds led in the morning devotion, and conducted an old-fashioned love-feast service, to the delight of many. Though very feeble in body, yet he is strong in spirit, and continues in closest touch with the work of the Church, and is still a liberal giver of his means.

Conference opened for business at 8:30 A. M., Bishop Kephart presiding. Minutes of preceding day's session were read and approved.

Conference ordered that the publishing of the minutes be committed to the Conference secretaries.

Rev. C. B. Boda, Committee on Sabbath Schools, reported. Report adopted.

REPORT OF COMMITTEE ON SABBATH SCHOOLS.

"The seed is the word of God." In the hearts of men, women, youth, and children, we find the soil, of various kinds, it is true, into which the seed is to be placed. Who is the sower? The individual Christian, and, collectively, the church of Christ. To his church, "the pillar and ground of the truth," has the Master committed the work of sowing the seed of truth found in his written Word. This it does at close range, and most effectually, perhaps, in the Sunday school. The time has long passed when arguments are needed to justify the existence of this branch of church work. But, wishing to keep it to the front, and to emphasize its importance, we, as a Conference, adopt the following resolutions:

1. That, although we rejoice in past achievements, we ever keep our eyes on the ideals yet ahead, and seek greater effectiveness (1) by improving the quality of teaching, and (2) by reaping the harvest in the conversion of the scholars.

2. That, as a means of accomplishing the first of these objects, pastors should endeavor to establish normal classes or teachers' meetings, or both, in their schools; and that we approve of the plans of the General Sunday-School Board to push the Bible Normal Union work through additional field workers.

3. That, as a means of accomplishing the second object named, at least one Decision Day should be observed in all schools, either

the Sunday named by the Ohio State Association or a Sunday during the revival meetings; and that due preparation be made for this day, including a systematic and thorough effort on the part of pastor and all concerned to bring every unconverted scholar to an intelligent decision for Christ and a proper public confession of the same.

4. That the Home Department and Cradle Roll should be introduced wherever there is material for them, for we recognize in these agencies the means whereby a school reaches out beyond the walls of the church, and whereby often the best home missionary work can be done.

5. That much attention be given to the primary classes of our schools, furnishing them, wherever possible, with separate rooms, and taking advantage of the special helps and up-to-date methods of teaching which we have presented to us to-day through the organized Sunday-school work.

6. That we approve the action of the recent International Sunday-School Convention, at Denver, in continuing the uniform lesson system, with quarterly temperance lessons, and in authorizing an optional beginner's course for young children. We also urge the use of the written review endorsed by this convention, with which our denomination was first in the field.

7. That, as a church, we acknowledge our indebtedness to the organized Sunday-school work, as represented in State and International associations, for its part in bringing the Sunday school to the high plane of efficiency which it occupies to-day.

8. That we concur in the resolution adopted by the International Convention recommending "that the teaching of Christian citizenship be combined with that of temperance on the Sunday known as 'World's Temperance Sunday.'"

9. That we heartily endorse our Sunday-school literature, and express our appreciation of the work of the Publisher in this direction, and of the work of the Sunday-school editors, Drs. Fout and Thompson, members of this Conference.

10. That we pledge our support, morally and financially, to the Sunday-School Board of our Church; and, in sympathy with its plans for the enlargement of its work by employing field help to the General Secretary, we instruct the Finance Committee to assess the full apportionment of $370, placed upon us by the board, and as pastors we agree to make all effort to collect the assessments in full.

Respectfully submitted,

C. B. Boda, *Committee.*

Committee on Candidates for the Ministry reported. Report was adopted.

REPORT OF COMMITTEE ON CANDIDATES FOR THE MINISTRY.

We, your Committee on Candidates for the Ministry, report:

1. That Ivory Zimmerman, a graduate of the Ohio Normal University and of Union Biblical Seminary, appeared before us, and sustained a creditable examination on doctrine and personal experience, and we recommend him for license.

2. We recommend the reception into Conference, upon transfer, of John D. Nisewonder, an ordained elder in the Iowa Conference.

3. We recommend that W. O. Jones, an ordained elder in the Virginia Conference, be received subject to transfer, he having served in the pastorate of this Conference the past two years.

P. M. CAMP,
C. W. KURTZ,
J. P. MILLER,
Committee.

Dr. J. P. Miller, Committee on Publishing Interests, reported.

Rev. W. R. Funk, Publishing Agent, was introduced, and delivered a stirring address in support of this vital interest of the Church. He advocated the erection of a twelve-story steel structure in place of the old building on the corner of Fourth and Main streets, and gave figures of assurance as to the financial success to the Church of such a business proposition. The Conference unanimously and heartily endorsed his plan, and will cheerfully coöperate to make it a success.

Report was adopted.

REPORT OF THE COMMITTEE ON PUBLISHING INTERESTS.

We regard the denominational press as indispensable to a strong denominational life. It is the outgrowth of earnest denominational convictions, the disseminator of denominational thought, and the inspirer of denominational enterprise, and without such agency the denominationalism of any people must be indistinct, cold, and forceless. It forms one of the conditions and one of the organic forces which enter into its special life, and without which its denominationalism, as such, must be a failure.

As growing out of this absolute necessity for the denominational press and the logic of relations, it follows that the minister who, in entering the ministry of a denomination, has not only accepted for himself its religious thought, forming its faith and its prudential arrangements, forming its governmental policy, but has also solemnly pledged himself to the dissemination of its prin-

ciples by such act and such relations, and becomes a party to the recognized organ of his denomination, and is responsible to the full extent of his influence and power to do for its prosperity and success. He consecrates himself to its interests as really as he does to the itinerant ministry, or to any other economic relation of the church. It is not optional with him to praise it or not; he is pledged by his very relation as a minister of the Church to commend its interests and give personal attention to the circulation of its publications. Not to do so is to neglect duty.

Recognizing, then, the true logic of denominational relations, and consequent duty, be it therefore

Resolved, 1. That the publishing interests of the Church of the United Brethren in Christ cannot be permitted to hold a low standard in the affections and support of its ministry and membership without inflicting upon every other denominational interest an irreparable injury.

2. That it is the duty of every friend of moral reform to disseminate the religious newspaper alongside of the secular, and that every church-member should be a patron of his own Church organ in preference to those of any other or undenominational agencies.

3. That, as ministers of the United Brethren Church, we hold ourselves bound to circulate as widely as possible all the officially recognized periodicals and literature of the Church.

4. That we endorse the business methods of Dr. W. R. Funk, the manager of our publishing interests, and commend his determined purpose to establish, in fact, the three-months' settlement plan ordered by the General Conference.

5. That we note with pleasure the interest awakened in the book literature of our Church by the appearance of the Doctrinal Series, and that we favor the issuing of other series on "Devotion," "Practical Church Work," etc.

6. That we favor the plan of the Publishing Agent to erect a new and larger building, same to be used in part for store-rooms and offices, provided great care is taken not to involve the House in serious indebtedness or diminish its dividends to the conferences for the support of those dependent on this sourse for help.

7. That we will aim the coming Conference year to increase the circulation of the Religious Telescope at least fifteen per cent. over that of the past year.

J. P. Miller, *Committee.*

Rev. Mr. Clark, pastor of the Methodist Episcopal Church at New Madison, was introduced to Conference.

Mr. H. G. Furbay, of Columbus, Ohio, representing the Ohio Anti-Saloon League, was introduced, and explained the provisions

of the Beal law, after which the following resolution was introduced by Dr. H. A. Thompson, and unanimously adopted: "We appreciate the presence of Harvey G. Furbay, representative of the Ohio Anti-Saloon League, and have listened with pleasure and profit to his able address. We recognize the help of the organization in securing and in helping to enforce the Beal law. We believe this law to be a fair and honest method of restricting the traffic in strong drink, and we urge upon all good citizens everywhere, and especially our own membership, to use the force of the Beal law, as well as all other proper methods for the destruction of this awful business."

Conference adjourned. Benediction by Dr. H. Garst.

THIRD DAY—AFTERNOON SESSION.

Conference opened at 1:30 P. M., Rev. G. W. Hamilton, of New Haven, leading in prayer.

Committee on Memoirs reported. After loving tributes to the memory of the departed, the report was adopted.

REV. JOHN W. GLENN.

John W. Glenn was born about the year 1818, and died January 10, 1902, aged 84 years. Brother Glenn was converted in early life, and became an earnest and energetic Christian worker. Long before he became a member of this Conference he was a licensed exhorter, and made full proof of his calling by winning many souls to Christ. He was a blacksmith by trade, and labored during the week with his hands, and devoted his Sabbaths and other days to his spiritual duties with most wonderful success.

In 1856, at Cincinnati, he joined the Miami Conference, and in his years of strength served a number of charges in the southern portion of our territory with efficiency. Brother Glenn was not a great preacher, but a powerful exhorter, and by his godly life and earnest work for souls achieved a widespread and most salutary influence over all classes of men, and died with many stars in his crown of rejoicing. In all the region round about his home he was sought to solemnize marriages, work in revivals, and preach the funerals of the dead. In our brother's death, our Conference has been deprived of an honored and holy man, and member of forty-six years' standing, his aged widow and family of a

faithful husband and father, and his country of a true citizen and patriot.

We extend our hearty condolence to his stricken household, and pray that the Master's grace may be sufficient for them in the hour of their bereavement. Honor to his memory and peace to his ashes.

W. J. SHUEY *Committee.*

REV. J. B. DOUGHMAN.

The Rev. J. B. Doughman died at the home of his parents, near Goshen, Clermont County, Ohio, July 7, 1902, at the age of 52 years. Mr. Doughman was received into the Cozaddale United Brethren Church under the pastoral labors of Rev. E. W. Bowers. Later, he removed to Springfield, and took a position in the reaper manufactory at Lagonda. At this place, he soon united with the Church, and by his upright life and zeal for the house of God so endeared himself to the congregation and convinced them of his gifts and qualifications for the ministry of the Word, that the quarterly conference granted him license to preach the gospel.

A year later, the same conference recommended him to the annual conference for membership in that body. Accordingly, in August, 1885, at a conference held in Summit Street Church, Dayton, Ohio, Brother Doughman was made a licentiate of the Miami Conference, and three years later, 1888, he was ordained as an elder in the Church of the United Brethren in Christ. After his entrance into the Conference, Mr. Doughman served the West Elkton, Miltonville, Springboro, and Cozaddale charges with credit and profit to the people and to the Annual Conference.

At length his health failed, and he was obliged to retire from the active ministry. Taking up his abode in the town of Goshen, where we have no church, he became an active worker in the congregation and Sunday school of the Methodist Episcopal Church of that place, and greatly endeared himself to those brethren by his faithful Christian life and earnest labors in the Lord's vineyard. As an evidence of his standing in the community, it may be stated that he was made postmaster of the village, and held the position for five years.

At length disease, which had afflicted him for a number of years, became so intense as to disqualify him for all business, and finally to dethrone his reason, and in the early part of last winter his friends, in the hope of restoring him to health, had him removed to the State Hospital for the Insane, located at Dayton, Ohio; but all in vain. He gradually grew worse, and in a few weeks they took him home again, where, early in the month of March, Brother Doughman heard the Master's call to come up higher, where he not only suffers no more from bodily ailments, but where his in-

tellectual and spiritual powers have free and blessed exercise in the home of souls washed in the blood of the Lamb.

Mr. Doughman was not a collegiate. He had only a common-school education. This lack of a thorough education no one knew or lamented more than Brother Doughman; but he was a diligent student of the good old English Bible, and he made its teachings the daily food of his own soul, and the story of redeeming love was the burden of his public ministrations.

Brother Doughman was one of the most sociable of men, and, at the same time, discreet, self-respecting, wise, comforting, and instructive to his people, and these family and social communications were a great aid to his public ministrations. People had confidence in him. They believed him sincere and worthy to be followed, as being himself a follower of Jesus Christ. Brother Doughman was subject to great temptations and crushing discouragements. Allowing that some of this was due to ill health, it is still true, and a truth never to be forgotten, that he was wont to cast himself on the Lord's promises and plead with God for protection and deliverance; and it should be recorded to his credit and for our comfort, for it is still the lot of God's children to enter the kingdom of God through much tribulation, that Brother Doughman was never tempted above what he was able to bear, God always making a way for his escape. And though he at last died under a cloud, let us believe that the cloud soon lifted, and that within the veil he sees as he is seen and knows as he is known, in the city where they have no need of the sun, for the Lord God and the Lamb give them light.

WM. MCKEE, *Committee.*

Conference agreed to change the evening's program, the evening to be given to the consideration of the report on Temperance and an address by Mr. Furbay. Saturday evening was designated for the discussion of the Y. P. C. U. report.

Rev. F. H. Bohn, Committee on Church Erection, reported. After an amendment, the report was adopted.

REPORT OF THE COMMITTEE ON CHURCH ERECTION.

In reviewing the reports of the past, I find that much has been said and resaid, and resolutions adopted. If the future of Church Erection would be fixed by reports and resolutions, it would be abreast with missions. And why should this not be so? Can anything be said in favor of missions that cannot be said of Church Erection? Is it not true that much time, energy, and money have been lost through want of a home for those whom we have labored to save? Great white fields are waiting to be harvested, but the

granary is as necessary as the sickle. Grain must be gathered into barns, or be lost. The very thought of home carries with it influence and power and permanency. This is true of family, church, and heaven.

Just why we waited until 1869 before availing ourselves of this great factor in building up our beloved Zion is a question as difficult to answer as it is for a man to give a reason why he did not accept the religion of the Lord Jesus Christ until he was old. Church Erection is not an experiment. It never was. It is a necessity. We only need turn our eyes on the fields where Church Erection and missions have gone together, and then on fields where missions have gone alone, to be convinced of the importance of Church Erection. A church house gives permanency to our mission work. It is evidence that we are here to stay. It is not the purpose of Church Erection to build churches and pay for them, but to encourage the building of churches by loaning them money, without interest, for three or five years, thereby enabling them to build such a house of worship as will be a credit to our denomination and will answer future needs.

The new feature of Church Erection, parsonage fund, is of vital importance and deserving of special mention. It should go hand in hand with church-building. None realize this as does the itinerant preacher. He must move, and oftentimes there is no house into which to move, or he must move into a house not in keeping with the requirements of the congregation he is to serve. Words fail us to express our appreciation of the kindly, timely, and substantial methods of Brother Dodds in starting this fund, and his continued interest in it, as evidenced in his first gift and in his additional gift and article in the Religious Telescope, August 13, page 17. God grant that the "nest egg" of $100 may be the magnet which will draw the ninety-nine gifts, each of like amount; or, as suggested by our worthy and efficient Secretary, smaller amounts aggregating $10,000.

It is easily seen that the great need of Church Erection is not praise or resolution, but more money. Cannot this Church raise $25,000 annually for the general fund? This seems like a large amount when we remember that the present general fund is only $7,400, and $2,500 of that amount belongs to the parsonage fund. Yet this would be only ten cents per member. Let us not only answer this question in the affirmative, but act—do something.

As a Conference, therefore, let us adopt the following:

1. That, as the need of Church Erection is more money, we will make $1,000 the basis of our assessment this year, which is only eight cents per member, and will cheerfully strive to secure the amounts assigned to our charges.

2. That we request the pastors to present the parsonage inter-

est to their congregations, and lift a collection for the general parsonage fund.

3. That we keep Church Erection before our people, making it equal in importance with missions, and encourage large gifts.

4. That we earnestly pray for our efficient Secretary, Brother W. M. Weekley, and the Board, that God may at all times direct them in determining the most worthy and hopeful fields desiring aid.

Respectfully submitted,

F. H. Bohn, *Committee.*

Rev. G. W. Arnold, Committee on Missions, reported. After an enthusiastic and admirable address by Dr. W. M. Bell, and talks by members of Conference, the report was adopted.

REPORT OF THE COMMITTEE ON MISSIONS.

How large the task before the church of Christ? How extensive the scope of her service? How great the obligation of her commission? The whole world is her field. The conquest of all earthly powers is her task. The civilization and evangelization of all nations is her commission. Every pagan plant is to be uprooted by the gospel plow. Ancient error and superstition must be supplanted by eternal truth and righteousness. Modern vice and immorality must give way to the genial and forceful influences of divine virtue and grace. Everything false and ungodly must fall. Truth and righteousness are the only towers that will eventually stand. The feebleness of pygmies can never match and overcome the gigantic giants of opposition before the church; but the church's head is Jesus Christ, the eternal and almighty Son of God. Pascal, the French philosopher and theologian, once said that "Jesus Christ is the center of everything, and the object of everything, and he that does not know him knows nothing of nature and nothing of himself." In the spirit of Pascal's aphorism, Jesus Christ is the church's head and heart and hope, and having him the church is infinitely resourceful. The resources of Christ are the resources of the church. Long ago, he said, "All authority is given to me in heaven and in earth." This declaration throws eternal light and emphasis on the "therefore" of Jesus in the great commission, "Go ye therefore and disciple all nations." There never was a time in the history of the world when there were so many and pressing opportunities to project and carry successfully forward the work of Christian missions as now. Commerce, war, and national relationships have opened doors that were once closed, and broken down barriers that were once insurmountable. Never was the world's harvest-field so ripe for the universal preaching of the gospel of Christ as now.

These opportunities bring increased responsibility upon the Church of the United Brethren in Christ. Our pathway of opportunity now runs to the gateway of every human need. Wherever darkness hangs heavy and long there is our opportunity to dispense light. Wherever misery exists there is our opportunity to extend mercy and help. Wherever ignorance and superstition abound, there is our opportunity to preach and teach the gospel of eternal light and truth. Wherever there is human woe or wretchedness, there is our opportunity to pronounce the power and efficacy of the One who met and transformed the wretched demoniac of Gadara. A great missionary was asked concerning a dark and dreadful field to which he had been sent, "What is the prospect of success?" With a cloud black as midnight before his eyes, he exclaimed, "The prospects are as bright as the promises of God." This is the faith that should characterize our Church and missionaries in fulfillling our Master's great command. As Dr. A. J. Gordon said, "a church that is not a missionary church will soon be a *missing* church." No church has a right to do just the missionary work it likes. The question is, What does Jesus *want* us to do? To withhold the gospel from those who know it not is to deny that Jesus said, "Go ye into all the world and preach the gospel to every creature." Therefore,

Resolved, 1. That we take yet firmer stand upon the Bible, and claim by faith yet larger things to advance and fulfill the great commission of our divine Lord and Master.

2. That we express our gratitude to our Heavenly Father for the preservation of the lives of our missionaries and for the success given to our missions, home and foreign, and assure them that, standing on God's Word, encouraged by the past, inspired by the present, and confident as to the future, we will stand with them in faith, prayer, substance, and effort until our Master calls us home.

3. That we will use all the levers possible to lift missionary sentiment and enthusiasm in our churches; namely, hold more missionary prayer-meetings, preach more missionary sermons, circulate more missionary literature, gather more missionary money, seek out more missionary volunteers.

4. That we declare our confidence in the Board of Missions, and heartily approve its plans in this and foreign lands.

5. That we repeat our heartfelt indorsement of the Woman's Missionary Association and the Y. P. C. U. missionary endeavorers, and promise them both our continued sympathy, prayer, and support.

6. That we urge upon our people the importance of reading our missionary literature, without which they cannot be thoroughly informed and alive in our work of Missions.

7. That the efforts of the Parent Board to liquidate its debt of so long standing meet our emphatic approval, and we pledge our united prayer and effort, with the other conferences of the Church, to reach this much-needed result.

8. That we are pleased with the pending negotiations between the Home, Frontier, and Foreign Missionary Society and the Woman's Missionary Association to place under the care of one general superintendency all the missionary operations of the two societies in West Africa, and we sincerely hope that these negotiations will soon be agreed upon.

Respectfully submitted,

G. W. ARNOLD, *Committee.*

The following paper was introduced and unanimously passed:

REPORT OF THE COMMITTEE ON CHURCH UNION.

Remembering that Jesus prayed that his disciples might be one, as he and his Father are one, and considering that Christians have become divided into a large number of different sects, or denominations, and that these divisions not only become a stumbling-block to the heathen world, but a source of temptation, strife, and unseemly, and even unchristian conduct; and, furthermore, that far more labor and money are expended in maintaining so many institutions whose patronage does not justify such a multitude of agencies, officers, and machinery, which agencies might be greatly reduced in number and cost by combining the work in fewer and better-equipped institutions and better-supported colleges, printing establishments, churches, missions, hospitals, etc., and tend to the more rapid furtherance of the gospel at home and abroad; therefore,

Resolved, That we, the Miami Conference of the United Brethren in Christ, express ourselves in favor of our bishops' presenting an overture to the Methodist Protestant Church, the Cumberland Presbyterian Church, the Evangelical Association, the United Evangelical Church, and other similar bodies of Christians, proposing to enter into negotiations looking to the union of these several bodies into one Christian body. We believe this union, though it might take several years for its consummation, would meet the approbation of the several denominations directly concerned, the approval of the whole Christian world, and the blessing of Jesus Christ our Lord, the great Head of the Church.

H. A. Sechrist was reëlected treasurer of said fund, and the board of managers continued. Address of treasurer, West Manchester, Preble County, Ohio.

Conference ordered that Revs. H. A. Sechrist and C. J. Burkert go to Lima during the session of Sandusky Conference, in the interest of the Preachers' Aid Society, relative to the claim of $424.10 permanent Preachers' Aid Fund transferred to Miami Conference, at its session at Ithaca, Ohio, in August, 1901, by representatives of Auglaize Conference.

On motion, Conference ordered that the dividends in hand from Publishing House be set apart as a permanent fund for Preachers' Aid, and all other dividends accruing be so placed.

Rev. E. W. Bowers, Committee on Temperance and Moral Reform, read his report, which was adopted.

REPORT OF COMMITTEE ON TEMPERANCE.

We rejoice in the progress that temperance has made in the last quarter of a century as pertains to the liquor traffic. Not only whole States are under prohibitory laws, but parts of many States and cities are prohibiting the sale of liquor. The army canteen is gone legally. Saloons are driven from the Capitol at Washington, and at the landing-places for immigrants. Great corporations which employ thousands of men, by rule, prohibit their employees from drinking intoxicating liquors while on duty.

The success of the past, the marshaling of the host against rum of the present, the promise of triumph for the future, makes us renew our pledge of loyalty to the temperance army for the total annihilation of the liquor traffic, both legalized and unlegalized.

1. That we, as a Conference, will observe Annual Temperance Day, as arranged for in Discipline, page 79, item 2.

2. That we will present our Church law on the subject to the membership of our various congregations, as laid down in the Discipline, page 79, item 1, and in every way teach the children of our Sabbath school to shun intoxicating liquors as their greatest enemy.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

"The Sabbath was made for man," is the declaration of the Son of man, who is Lord of the Sabbath day as well as the Creator of all things—all ties, relations, institutions, and influences that are for the highest good of his creature—man.

He has left no doubt in the revelation of his will in both the old and new covenants with man, that he should "remember the Sabbath day to keep it holy."

No Bible reader who desires to do the will of God can be lax in his observance of this law of his God concerning the Sabbath day. Inasmuch, then, as desecration of this holy day is widespread and menacing to the legal, as well as the moral keeping of it,

Resolved, 1. That during the coming year, we, as a Conference, in preaching and in all our intercourse with men, will, at every opportunity, hold up this divine law as bearing on the daily life of the community and their obligations to keep it.

2. That we call the attention of our church-members to the teaching of the Word of God on the subject, as set forth in our Church Discipline, page 14, article XII., Confession of Faith, page 22, No. 6, Duties of Members, and page 79, Section II., Sabbath Observance.

3. We recognize the good work of the Anti-Saloon League in arousing and consolidating the temperance sentiment of the State

of Ohio in the Beal local option law. We ask for it a hearty support on the part of our people.

E. W. Bowers, *Committee.*

Conference adjourned. Benediction by Dr. H. A. Thompson.

Friday evening was given to consideration of the temperance question, and an address was delivered by Mr. Furbay which was full of interest to the temperance public.

FOURTH DAY—MORNING SESSION.

August 23, 1902.

Rev. W. T. Frank, of Mt. Healthy, conducted the morning devotional service.

Conference opened at 8:30 A. M., Bishop Kephart presiding.

Minutes were read and approved.

Dr. I. L. Kephart, editor of the Telescope, was introduced to the Conference.

The Bishop appointed as a committee to audit the books of the financial officers, Dr. H. A. Thompson, and C. J. Hall.

Rev. D. E. Myers, chaplain of the National Military Home, Marion, Indiana, delivered an interesting talk on personal reminiscences when in the active work in the Conference.

L. M. Mittendorf, secretary of the Church-Extension Society, submitted a report, which was approved.

REPORT OF COMMITTEE ON CHURCH EXTENSION.

For a number of years Miami Conference has been considering opening a church in Hamilton, Ohio. Accordingly, the Conference Church-Extension trustees made a visit to the place August 11, with a view to looking over the ground. The committee found two good sections of the city not churched, where, with a proper opening, there is little doubt about the success of a church for our denomination. The first element for success at either location is the purchase of a lot and the erection of a chapel or church.

Feeling that, as a Conference, we cannot much longer delay the opening of a church in Hamilton, the committee recommend that the church-erection money now in treasury, with the assessment for the coming year, be held in reserve for the purchase of a location at the above place, at the earliest possible time.

We further recommend that a Conference church-extension assessment of $500 be made and placed upon our chart, to be used according to the wisdom of the Church-Extension trustees, by the advice of the Conference.

C. J. Burkert,
J. W. Kilbourn,
J. C. Myers,
L. M. Mittendorf,
P. M. Camp,
Committee.

The following paper was also presented, and Conference directed that Miami Conference as a body be incorporated:

Your trustees of the Church-Extension Society would report that, soon after adjournment of the last session, we organized by the selection of Rev. C. J. Burkert as chairman, and L. M. Mittendorf as secretary.

Hon. J. C. Myers was instructed to look after the matter of incorporation; but since the printing of the minutes of the session of 1901, your trustees learned that it was the Annual Conference, and not our board of trustees, that was to be incorporated, and, therefore, the matter, not yet having been attended to, is submitted to you for interpretation as to whether the Conference Church-Extension Society, as a society, is to be incorporated, or whether the Annual Conference shall be incorporated.

Hon. John C. Myers was appointed by the trustees to secure the papers of incorporation.

Rev. J. W. Kilbourn was reëlected a trustee of the Church-Extension Board for a term of five years—1907.

The matter of finance relating to Piqua Church was referred to the Church-Extension Board for definite action at this session. Later in the session, the following report was presented, and adopted by Conference:

SUPPLEMENTAL REPORT OF TRUSTEES OF CHURCH-EXTENSION.

Rev. C. W. Miller, pastor of the church at Piqua, appeared before the trustees and requested that arrangements be made whereby the church at that place may be given financial assistance in the near future. The trustees would not agree that the Conference is legally obligated to pay our people at Piqua any amount on account of the sale of church property in other years, but would assist by recommending the following:

1. That the pastors take an offering on the first or second Sunday of November, next.

2. That the amount to be raised should be one-fourth in excess of delegates' expenses to the last General Conference.

All moneys so raised shall be sent to the treasurer of the Church-Erection Trustees, Rev. P. M. Camp, pastor Hartford Street Church, Dayton, Ohio.

That the presiding elders shall call attention to this collection at the quarterly conferences following the dates named for taking it, and wherever omitted insist upon its being taken at once. Charges reporting their full quota of this fund at the Conference session of 1903 shall be credited accordingly.

Rev. J. P. Stewart, Committee on Y. P. C. U., reported, and the report was adopted.

REPORT OF COMMITTEE ON Y. P. C. U.

We who live in this twentieth century are living in a time of intense life and activity. The person who does not, and cannot adjust himself to the spirit of the age so as to become a part of it, and a factor in molding and shaping that part with which he has contact, will soon be hopelessly left behind in the race.

Likewise, the church which does not recognize a source and revenue of great strength to be in its young people, must very soon go out of business for want of supporters. From a retrospect of the past we note that progress has been slow and somewhat irregular in the moral, social, and religious world.

The nineteenth century distinguished itself in producing so many great and noble organized agencies which have given vast impetus, and promise much better things in the future. Standing now in the recently-opened doorway of the twentieth century, with these new, and, we trust, better organizations for Christian service at our command, shall we not expect and realize much greater progress to be made in soul-winning in the ages to come?

The Y. P. C. U., one of the latest products of the nineteenth century, has made rapid growth and proved itself a most valuable assistant to our denomination, but the field of its work has just been entered. It remains that much consecrated prayer and effort be given this prolific branch of the Church. Therefore,

Resolved, 1. That pastors and presidents of societies urge the importance of careful study of the Word and much prayer, that preparation may be had for soul-saving.

2. That a Christian stewardship committee be appointed in each society, whose duty shall be to secure Christan stewardship pledges, circulate literature on the subject, and in whatever way

they may be able to promote the work of systematic saving and paying.

3. That we approve the step taken to support a missionary in Porto Rico, and will do our part to make the plan effective.

4. We are well pleased with the Watchword and its management, and will do our best to give it a wider circulation.

J. P. STEWART, *Committee.*

Rev. J. G. Huber, president of the general Y. P. C. U., delivered a practical talk, relating to organization among the young people in all our congregations, and urged pastors to give closest attention to this work.

E. Jay Rogers, general treasurer, and also treasurer of the Branch Union, made a report of moneys paid by unions for the support of Philo Drury, missionary in Porto Rico. Six hundred dollars is pledge by Miami Branch toward his support, and is meeting with a ready response.

REPORT OF BRANCH TREASURER OF Y. P. C. U.

This is the first time the Y. P. C. U. has been given this kind of recognition in Miami Conference. [Bishop Kephart said, "Then you want to thank God and take courage."] The number of Y. P. C. U. societies reported in the Conference is 55, with a membership of 2,381, and 27 Junior societies, with 1,068 members; a total of 82 societies, with a membership of 3,449. There are in the Conference 100 organized churches. This leaves 45 churches without an organization of the young people, and 73 churches without a Junior society. There are 100 Sunday schools reported, one for every organized church, with a membership of 14,212, including officers and teachers. The members of the church number 12,323. These figures show that for every member in both branches of the Y. P. C. U. there are four members in the Sunday school, and for every member in the senior branch there are 5⅓ members in the church. This is enough to show that neither branch of this work receives the attention it ought to, and that the Junior branch is much more neglected than the Senior.

Who is responsible? We look to the pastor as the leader in every field of church work. He has plenty to do, we are sure, but would he be content to make a report of any charge without a Sunday school organization? He certainly is not, as the chart shows a Sunday school in every place of labor. Unless good, strong reasons (not excuses) can be given, there ought to be more societies of both kinds in the Conference. We are losing much that we might be gaining in the way of training for service and

financial aid, if the young people and the children received more attention.

Of the fifty-five societies, only twenty-nine paid their annual dues of $1 to the Branch Union last year. Only twenty-one societies have paid dues every year for the last three years. One of these is the Junior society at Philipsburg. This society and its superintendent deserve great credit for their faithfulness.

The Branch officers would appreciate any effort on the part of the pastors that would change this condition. Don't pay the $1 out of your own pocket, but see that your young people have interest enough in the work to pay it. Most of them will do it if they are spoken to about it.

Let the plan that is now before our Conference Branch to support a missionary in Porto Rico for three years testify as to what the young people can, and will do when they are given an opportunity to work and made to feel that they have, in realty, as well as in name, a part in the work that is going on. This movement was projected at our Branch meeting in October, 1901, and already the Branch Treasurer has received from twenty societies and one Sunday school, $405.26 on the first year's pledge. Now, if the pastors on whose fields the other thirty-five societies are found will do as well, our Branch can support *two* missionaries, instead of one, and do it easily. None of the Junior societies have thus far put any money into this work. Don't you think it will pay to interest *all* of the young people on *all* our fields of labor? I trust it may be done. Very respectfully submitted,

E. Jay Rogers, *Branch Treasurer.*

The report on Education by Dr. J. P. Landis was read by the Secretary, as Dr. Landis was called to Pennsylvania on special business.

Dr. H. Garst, of Westerville, addressed the Conference, setting forth the heroic effort made in securing $40,000 on the indebtedness of Otterbein University, and the bright prospect of securing the additional $20,000, and that liberal contributions toward this end were secured in Miami Conference.

Dr. H. A. Thompson, ex-president of Otterbein University, urged the importance of standing by the institution in our financial help and in sending students.

Dr. C. M. Brooke, Business Manager of Union Biblical Seminary, made a good plea for that institution, calling attention to the cancellation of its indebtedness in May last, and the effort now made to increase the endowment fund.

Report was adopted.

REPORT OF COMMITTEE ON EDUCATION.

Miami Conference has for many years been in the very front ranks in her support and encouragement of the work of education in the Church, believing that this is one of the fundamental interests of the church, as well as of the state. We believe it is incumbent upon the church more than ever to be alert on the matter of education, since the present tide of secularism has so strongly set in, sweeping the schools, especially the higher State schools, into the vortex. Materialism, theoretical as well as practical, has assumed threatening proportions. It, therefore, behooves the church jealously to guard the education of her youth, that her precious sons and daughters be not drawn into the maelstrom. Our duty is plain.

1. Send our sons and daughters to the college where these influences are absent, and where their moral and religious training is an expressed, a practical, and a prominent feature. Otterbein University is such a college.

2. Support these colleges by our means, building them up to greater power and efficiency, that they may be able, in educational results at least, to cope with the secular institutions of learning.

It is, therefore, with great satisfaction that we hear of the success of Otterbein University in her efforts to free herself from financial embarrassment, the effort to raise $60,000 having thus far been rewarded with the subscription of more than $50,000. We commend the project of the board of trustees to raise $50,000 additional endowment funds. We shall use our best endeavors to secure for the university the amounts assessed to our several charges.

As to the ministry, we are confident that the true qualification for this sacred work involves both deep spirituality and intellectual preparation, involving knowledge and mental discipline. Never was the education of the masses more general; never before were there so many readers in the churches; never were the demands upon the ministry so various or so exacting; never before in the history of our denomination were the calls so multitudinous, so beseeching, so increasing, the cry being heard day and night and from all points of the compass, for *qualified,* for *educated* men for the pulpit.

Hence, we rejoice in the good work thus far wrought by Union Biblical Seminary, our only "school of the prophets." We are glad to note that the largest classes in all her history were graduated in 1901 and 1902, fourteen in the one case and nineteen in the other. We thank God that the debt is provided for and about to be entirely canceled, and that steps have been entered upon, as in the case of Otterbein University, to enlarge materially the endowment fund. Our efforts must not flag until ample provision is made for the adequate maintenance of the institution. In the

meantime, we must continue to raise our annual assessments laid upon us by the General Conference, for the runnings expenses. We hereby instruct our Finance Committee to assess the full amount commanded by the General Conference—$500.

We express our readiness, also, to raise the full amounts of Educational Beneficiary money assessed to our fields, to assist indigent but worthy young men in their preparation for the gospel ministry. The amount which we are asked to raise as a Conference is $275.

We will do all that we can to cultivate the intelligence of our people, to direct our young men and women to Otterbein University, our young ministers to Union Biblical Seminary, and we shall pray privately and in public for God's continued blessing on these important branches of Church work.

Respectfully submitted,

J. P. LANDIS, *Committee.*

The selection of the place for holding Conference session of 1903 was left with the presiding elders.

Conference adjourned. Benediction by Dr. W. J. Pruner.

Rev. J. L. Swain was reëlected treasurer of these funds.

Rev. J. W. Flory, Treasurer of Sunday-School Fund, reported: Assessment, $259; receipts, $240.50; deficit, $18.50.

Dr. I. L. Kephart, editor of the Telescope, addressed the Conference in the interest of the Religious Telescope. His utterances were earnest, pointed, and forcible, and brought conviction to careless pastors. Conference resolved to make at least an advance of fifteen per cent. on Telescope subscriptions.

Committee on Finance reported, and report was adopted.

The following charges are still delinquent on General Conference assessment, and the presiding elders were instructed to see that these amounts are secured early in the year, and paid to Rev. H. A. Sechrist, treasurer of Preachers' Aid Fund. The amount due on expenses was deducted from our share of Publishing House dividends, and as Conference agreed that all our dividends shall go into a permanent Preachers' Aid Fund, we shall expect the payment in full of amounts due:

BISHOP MATHEWS.

WHEREAS, Dr. G. M. Mathews, for many years an active and successful pastor and presiding elder in this Conference, has, in the providence of God, been called to higher and more responsible duties; therefore,

Resolved, That we hereby extend to him our best wishes for his success in the general superintendency of our beloved Church, and that our prayers shall ever follow him.

Bishop Kephart announced the Standing Committees for 1903.

Rev. J. W. Kilbourn, Committee on Resolutions, reported.

REPORT OF COMMITTEE ON RESOLUTIONS.

We, as a Conference, appreciate very much the preparations and provisions made for our entertainment by the three charges engaged in the work. We have enjoyed all the good things provided for us, and we wish to thank them heartily for their good offices, and we pray that the blessing of God may rest upon these good people, and their families, and in this we include all who have in any way contributed to the success and pleasure of this session of the Miami Conference.

We also wish to express to Bishop E. B. Kephart our very high appreciation of himself and his services at this session of our Conference. J. W. KILBOURN, *Committee.*

Bishop Kephart made some practical remarks, such as usually preface the reading of the Stationing Committee's report, obviating the necessity of so doing on Sabbath morning, when the report is to be read.

The surplus money from entertainment of Conference was voted to the pastor of New Madison, the coming year.

The following endorsement as to Rev. C. W. Miller in his work for the Washington, D. C., church was given by Conference:

WHEREAS, An effort is being made to build a new church edifice in the city of Washington, D. C., to cost $25,000; and,

WHEREAS, The committee having the enterprise in hand have asked and urged Rev. C. W. Miller, of this Conference, to devote one year, mainly in the Pennsylvania and contiguous conferences, to the work of collecting funds for said church; therefore,

Resolved, 1. That we, as a Conference, grant their request and consent to Brother Miller's acceptance of the agency for one year.

2. That we commend the enterprise as a most worthy undertaking, and one which merits the sympathy and good will of the entire denomination.

Minutes of day's session were read and approved.

Conference agreed to final adjournment at the close of all the religious services on Sunday.

Benediction by Bishop Kephart.

Saturday evening was given to the Y. P. C. U. work, Rev. P. M. Camp, president of Miami Branch, presiding. After several selections of song and the opening prayer, addresses were delivered

upon different phases of the work by Revs. W. L. Bunger, of Dean, C. W. Kurtz, of Germantown, and E. E. Saul, of Middletown. Each presented his side of the subject clearly and forcibly, and the attention of the large audience showed that it was in hearty sympathy with the movement.

SABBATH SERVICES.

Sabbath, August 24, 1902, was a beautiful day, and brought a large audience to the Sabbath services. Sabbath school opened promptly at 9:00 A. M., and the session was of great interest throughout. The school is well organized, and has aggressive leadership.

At half-past ten, Bishop Kephart preached the Conference sermon, from Revelation 2:17, "And I will give him a white stone, and in the stone a new name written, which no man knoweth saving he that receiveth it." The new life was clearly set forth, and the self-consciousness of salvation emphasized.

After the sermon, the ordination of Rev. S. E. Shull occurred. The Bishop was assisted in this service by Elders J. L. Swain and W. H. Klinefelter.

At 3:00 P. M., the Conference love-feast was conducted by Rev. E. C. Petry.

Rev. E. W. Bowers preached in the Reformed Church at 3:00 P. M., and at 7:00 P. M., Rev. F. H. Bohn preached in the Universalist Church, and Rev. J. W. Kilbourn in the United Brethren Church.

Members of Conference filled pulpits in the adjoining towns and country.

An excellent choir furnished music during the evening and Sabbath services. L. M. Mittendorf presided at the organ during Conference sessions.

The New Madison congregation has a beautiful house of worship, a memorial to Brother Edward S. Bunch, who died at the age of twenty-three years, in the midst of his usefulness, and before certain other plans for the good of the congregation and community could be carried to completion.

In the entertainment of Conference, there was a new departure—*all* meals were served in the basement of the church, keeping members of Conference close by their committee work, and also giving an excellent opportunity for social association. Everything was under good management. The ladies had their work well in hand, and the meals were bountiful and well prepared. The hospitality of the citizens of the town and surrounding country was cordial and liberal. All joined to make our stay among them pleasant and homelike. We cherish pleasant memories of our mingling with the people of New Madison. Rev. E. C. Petry deserves our thanks for his thoughtfulness and management throughout the session. Surely he was in labor most abundant.

The Conference reports were good,—the best for years,—showing a total of all moneys collected of $101,559, showing good management and business sense, as well as an aggressive spirit and intelligent methods of work. All Church interests receive careful attention, yet all do not meet with the same measure of success. "Praise to whom praise is due."

W. C. Niswonger, *Statistical Secretary.*

GEORGE SCOTT, President, Westerville, Ohio

THE LIFE OF Bishop James W. Hott

By MARION R. DRURY, D.D.

With an introduction by

LEWIS BOOKWALTER, D.D., will issue from the press of the United Brethren Publishing House, Dayton, Ohio, about the fifteenth of October. This promises to be an attractive and interesting book. It will be printed on excellent book paper and bound in substantial cloth, with back and side titles. Size, 5½ x 7½ inches, with about 200 pages and eleven illustrations, and be sold for $1.00.

Of the book and its author, Dr. Bookwalter in his introduction says:

"The biographer, Dr. Drury, was long and intimately associated with Dr. Hott in the editorial work of the *Religious Telescope*, and is especially qualified to give the Church and the world the true story of his life. No time or labor has been spared in gathering material touching all periods of Mr. Hott's career from original sources. The general plan of the book is well devised; its outline in chapters is especially skillful, and the whole is wrought out, down to well chosen particulars, with admirable tact and taste."
